The courses listed below are required to fulfill a minor in the subject named below.

This section should be completed by the academic department that offers the minor. Once a student has spoken with an advisor from the academic department and college in question, this form must be returned to the Business School so that the student's progress sheet may be adjusted as a result of the minor.

Please note that a form is no longer required for Business students pursuing an Economics minor. If you would like to declare an Economics minor, please contact your Business School academic advisor.
