## Essay Questions:

Please check the scholarship(s) you are interested in applying for and **attach essay(s) in PDF format to your final application submission**. As a reminder, individuals may choose to apply for up to (2) scholarships.

Scholarships of up to \$5,000 may be awarded. Allocation will depend on a number of factors, including, but not limited to: depth of experience, thoughtfulness of essay responses, number of applicants, etc.

### 1. Leadership Scholarship

In 750 words or less, please describe your experience as a leader and how you have made significant contributions in the area(s) of: professional industry, community service, academics, mentorships, and/or other.

### 2. STEM Scholarship

In 750 words or less, please tell us about your background in STEM (*Science, Technology, Engineering, and Mathematics*) and how you have made significant contributions in the area(s) of: professional industry, community service, academics, mentorships, and/or other.

### 3. Global Citizen Scholarship

In 750 words or less, discuss how you will provide a global perspective to the classroom based on your experiences and discuss how your future career goals may address global challenges.

### 4. CU Denver Alumni Scholarships

In 750 words or less, please explain how you have demonstrated commitment to CU Denver in the area(s) of: community service, on-campus employment, student leadership, and/or research.

**This scholarship is only open to students who have or will be completing an undergraduate degree from CU Denver prior to the program start date.**

## Student Acknowledgement: *(Required)*

"I have entered information that is true to the best of my knowledge. I also agree that the university departments may release personal information to donors including, but not limited to, directory information, cumulative GPA, major, year in school, and copies of essays and resumes. This information is used to introduce donors to recipients. It could also be used for University of Colorado publications or for news release purposes."
