STAFFING AGENCIES

Aerotek – <https://www.aerotek.com/en>

We know that a company's success starts with its employees. We also know that an individual's success starts with the right career opportunity. As a Best of Staffing® Client and Talent leader, Aerotek's people-focused approach yields a competitive advantage for our clients and rewarding careers for our contract employees. Aerotek's 6,000 internal employees serve more than 300,000 contract employees and 17,000 clients every year. Today, as one of the largest staffing and recruiting company in the U.S., we serve virtually every major industry and market, and we've placed exceptional people in hundreds of thousands of roles and positions. Our mission is as simple today as it was thirty plus years ago: to bring great people and great organizations together. This drive to connect people and make them successful is what we mean when we say: Our People Are Everything.

Comcentric is the leading provider of staffing and permanent placement of Technology Professionals in both Application & Database Specific Technologies (Java, .Net, Sharepoint, Oracle, SQL Server, Hadoop, Hive, NoSQL, Remedy, Digital Marketing, etc.) and ERP / CRM (PeopleSoft, Oracle Applications, SAP, JD Edwards, Salesforce SFDC, Siebel, and MS Dynamics). This year, we were named #1 Best Place to Work in Colorado and 2nd Fastest Growing Company in our State by the Denver Business Journal. Also, we were also included in the Inc Magazine 5000 fastest growing companies for the 2nd time in less than 5 years.

Creative Financial Staffing – <https://www.cfstaffing.com/>

Creative Financial Staffing (CFS) provides qualified accounting and finance professionals on a temporary and permanent basis across a broad range of industries. We were founded by CPA firms, providing us with resources that help us better understand our client's needs, attract a higher caliber of candidates, and assess candidate potential. We enjoy several critical advantages over other staffing agencies:

Understanding & delivering: We understand the requirements of our clients and we have the resources to provide exceptional talent at a competitive price. Highly qualified professionals at every level: We ensure the quality of our recruits by subjecting them to some of the most rigorous screening in the industry. As a result, major employers (Fortune 500 companies, privately-owned companies, and small businesses) increasingly rely on CFS to staff crucial positions ranging from CFOs to accounting clerks. Personal attention: Time and time again our clients commend us on our individual focus and service. Client and recruit satisfaction is the most important part of our business, and we work hard to ensure that each placement we do is the absolute best.

The Doyle Group - <https://doylegroup-it.com/>

The Doyle Group is a strategic partner to both companies and candidates who seek IT Placement and IT Consulting services. With more than 30 years of combined experience in the IT recruiting field, we pride ourselves on being connected to a resource pool that can truly transform your organization's future and success. We understand that in order to attract the best talent in your industry you need a firm that will seek out the passive as well as most sought after candidates. That is why we don't rely on job boards, but rather align ourselves with the top talent in the market place and then network to identify those candidates who will be instrumental in building an elite team or delivering a successful project. Our success is built on placing candidates with proven abilities at employers with aligning values. We make this possible through frequent interaction and communication with both our client and candidate network to create a positive result for all involved persons.

The HealthCare Initiative – <http://www.thehealthcareinitiative.com/>

Experts are telling us we are finally approaching "full employment," with the healthcare sector set as one of the highest in-demand industries as well as the most difficult in which to recruit. Industry analysts predict the demand for healthcare leaders to increase by 19% over the next seven years. With over 6,000 hospitals competing for talent, recruiting is more competitive than ever. Are your current recruiting strategies ready for this challenging time period? For over 43 years The HealthCare Initiative (THI) has been providing results-driven recruitment solutions to hospitals of all sizes and structures with levels of success very few can match. THI is one of just a handful of companies ranked by Modern Healthcare Magazine as a Top Executive Search Firm 5 out of the last 5 years. And with over 125+ years of combined experience, almost 4,000 executive level placements made and more than \$120,000,000 in successfully negotiated salaries since 2010, I am confident you won't find a more capable partner.

High Country Search Group – <https://highcountrysearch.com/>

High Country Search Group is an organization of individuals who are dedicated toward principles of excellence and integrity in the Search field. Unlike some organizations, we don't believe that simply having a telephone and a business card with "Recruiter" on it makes you one. All of High Country Search Group's team members have dedicated long-term careers toward being the best in the search industry and that's what we have set out to do. We have built a strong local and increasingly national business, by consistently identifying the top clients and bringing them together with the best and brightest candidates. Long-term partnerships are the cornerstone of our business. We value and nurture each of our candidate and client relationships.

Integrated Associates Inc. – <http://www.integratedassociatesinc.com/>

Since our inception, we've maintained an ongoing commitment to act as trusted partners to our clients and candidates because following through on our promises and standing by our word is simply who we are. Established in 2010 in San Diego by longtime friends and business partners, Ethan Gillespie and Anthony Moser, Integrated Associates was founded on the idea of doing business differently. They were two bald guys with a dream. Both top performers at other staffing organizations, Gillespie and Moser recognized that trust was the key to fostering long-term relationships with clients and candidates. That's why every part of our process fosters mutual trust from our clients, our candidates, and our colleagues. Our reputation precedes us and our history as reliable and available partners is what sets us apart and maintained steady growth since day one. From Fortune 500 companies to mid-sized organizations, we've placed hundreds of qualified and inspired candidates in the right position, the first time. By consistently adding top industry talent to our roster, we can deliver on any IT recruiting and consulting service for any client in any location at any time.

Tri-Search – <https://www.tri-search.com/>

Tri-Search, Talent Recruitment with Intention! At Tri-Search we specialize in this matchmaking which along with our unique "Team" approach has allowed us to be 100% reference-able with past and current clients - a true difference maker in the recruitment marketplace. A major challenge in corporate recruitment is to align the intention of the client for the position in need to the true intention of what the

candidate wants for their career. Not until these two items align do you have the right talent in the right place in your organization. Our company began as a dream of three partners; three dedicated professionals with one common mission: to align the true intention of the client to the true intention of the candidate. This mission reverberates in everything we do and is backed by over 35 years of collective recruitment experience. We plan to help more people find their true career path by matching the right client with the right candidate for any kind of project.
