COMPANIES

ABX Air Inc. – <http://abxair.com/>

ABX Air is a FAR Part 121 cargo airline flying express cargo routes for customers in the U.S. and around the world. ABX Air also offers a variety of airline-related training, including dispatch training, flight training, and simulator time. Diversifying and taking advantage of skills developed over the decades, ABX Air now provides contract service for many customers in several capacities. Sticking to its core skill, ABX Air flies express cargo routes for DHL USA. Aircraft not deployed in the service of DHL is working for a myriad of customers throughout the world. ABX Air flies charter routes for customers out of bases in Cincinnati, Ohio and Miami, Florida. Keeping an airline flying and the airport open and operational in any weather is a tall task. ABX Air has an experienced and dedicated workforce that allows it to excel at keeping its commitments to customers.

Air Transport International (ATI) – <http://airtransport.cc/>

ATI is an experienced charter airline with the ability to reach across the globe ...around the clock, even on short notice. Through two decades and thousands of hours of cargo and "combi" passenger aircraft operations, ATI has the equipment and valuable expertise to respond to emergency one-time charters as well as long-term scheduled programs.

American President Lines (APL) – <http://www.apl.com/>

APL is the world's seventh largest ocean carrier, offering more than 80 weekly services and over 500 calls at more than 140 ports worldwide. We provide container transportation and value-added supply chain management services through our international shipping network which combines high-quality intermodal operations with state-of-the-art information technology, equipment and e-commerce.

BNSF Railway Company – <http://www.bnsf.com/>

The BNSF Railway is the second-largest freight railroad network in North America, second to the Union Pacific Railroad (its primary competitor for Western U.S. freight), and is one of seven North American Class I railroads. It has three transcontinental routes that provide high-speed links between the western and eastern United States. BNSF trains traveled over 169 million miles in 2010, more than any other North American railroad.

CRST International – www.crst.com/

CRST International is one of the nation's largest transportation companies, providing total transportation solutions and comprehensive logistics services to customers all over North America.
