Accounting

Bachelor of Science in Business Administration Catalog Year 2025-2026

PROGRAM OVERVIEW

CU Denver's accounting degree offers courses that provide preparation for practice in the following fields: accounting and management control systems, auditing, financial accounting, managerial accounting, tax accounting, teaching and research. A thorough knowledge of social, legal, economic, and political environment is needed as well as a high degree of analytical ability and communication skills.

ACADEMIC ADVISING

It is recommended that students meet with an advisor regarding their individualized degree plan at least once per year.

GENERAL GRADUATION REQUIREMENTS & POLICIES

All CU Denver Business students are required to complete the following minimum general graduation requirements:

- 1. Complete a minimum of 120 applicable course hours.
- 2. Achieve a minimum 2.0 CU cumulative grade point average (GPA) and business GPA.
- 3. Complete a minimum of 45 upper division (3000/4000 level) credits.
- 4. Complete a minimum of 30 CU Denver business course hours in good standing.

COURSE SCHEDULE & DELIVERY MODES

CU Denver offers courses in both in person (IP) and online (OL) delivery modes. Students may complete this degree entirely online OR entirely in person as one required class is only offered online. Students that need to take classes either online or in person will need to pay attention to when courses are offered in the format you need. Below are the required classes for this major and when they are generally offered in person and online. Students will need to choose core classes and electives that meet their individual needs:

COURSE SCHEDULES ARE SUBJECT TO CHANGE!

Bachelor of Science in Business Administration Catalog Year 2025-2026

SAMPLE ACADEMIC PLAN OF STUDY

The following academic plan is a *sample* pathway to completing degree requirements. This schedule can be adjusted to accommodate AP, IB, and/or CLEP credits, as well as courses taken during the summer sessions. Students should tailor this plan based on transfer credit, course availability, and individual preferences related to course load, schedules, and add-on programs such as minors or double majors. Students must complete an experiential learning credit (internship, study abroad program, or project-based course) and a capstone course taken in their final semester. **This plan assumes that the foreign language graduation requirement has been completed with high school courses or proficiency exam.**

Year One	Semester 1	Credits
	ENGL 1020 Core Composition I	3
