

PROGRAM OVERVIEW

The sports business major was developed in response to demand for up-and-coming talent in the sports industry. Sports firms are hiring at the entry level and promoting from within. This program teaches students the specialized knowledge and skills that will give them a career edge in the field. It gives students who have a passion for the business of sports the knowledge and skills necessary to compete in one of the fastest growing industries.

ACADEMIC ADVISING

It is recommended that students meet with an advisor regarding their individualized degree plan at least once per year.

SAMPLE ACADEMIC PLAN OF STUDY

The following academic plan is a **sample** pathway to completing degree requirements. This schedule can be adjusted to accommodate AP, IB, and/or CLEP credits, as well as courses taken during the summer sessions. Students should tailor this plan based on transfer credit, course availability, and individual preferences related to course load, schedules, and add-on programs such as minors or double majors. Students must complete an experiential learning credit (internship, study abroad program, or project-based course) and a capstone course taken in their final semester. **This plan assumes that the language graduation requirement has been completed with high school courses or proficiency exam.**
