

J.P. MORGAN CENTER
For Commodities & Energy Management

Summit

PEOPLE. PURPOSE. ENERGY.

MARCH 31 - APRIL 1, 2023

Sponsorship Opportunities

PEOPLE. PURPOSE. ENERGY. SUMMIT

The Global Energy Management Program's People Purpose and Energy Summit is hosted twice a year and brings together energy executives, thought leaders, influencers and future game-changers together for two days to discuss, learn and share solutions to today's most pressing energy topics. This summit is a graduation requirement for current master's students but also is an opportunity to welcome back GEM alumni and faculty into the discussion – and continuing the program's tradition of life-long learning.
