ASSOCIATIONS AND ORGANIZATIONS

Colorado Mining Association (CMA) – <https://www.coloradomining.org/>
Commodities Meet up – <http://commodities.meetup.com/cities/us/co/denver>

COMPANIES

Alcoa – <https://www.alcoa.com/>

Alcoa (NYSE: AA) is a global industry leader in bauxite, alumina and aluminum products, with a strong portfolio of value-added cast and rolled products and substantial energy assets. Alcoa is built on a foundation of strong values and operating excellence dating back nearly 130 years to the world-changing discovery that made aluminum an affordable and vital part of modern life. Since inventing the aluminum industry, and throughout our history, our talented Alcoans have followed on with breakthrough innovations and best practices that have led to efficiency, safety, sustainability and stronger communities wherever we operate.

ArcelorMittal – <http://usa.arcelormittal.com/>

ArcelorMittal USA is part of ArcelorMittal, the world's largest steel and mining company, resulting from the 2006 merger of Mittal Steel Company N.V. (Mittal) and Arcelor S.A., at the time the world's largest and second largest steel companies by production volume. Today, ArcelorMittal has approximately 222,000 employees and a presence in more than 60 countries. Our core philosophy is to produce safe, sustainable steel. In doing so, our top priority is safety and our goal is to be the world's safest steel and mining company. As a company, we are committed to our promise of 'transforming tomorrow'. Guiding us in this are our values of Sustainability, Quality and Leadership.

Ardent Mills – <http://www.ardentmills.com/>

Welcome to Ardent Mills®, a young company, born from two industry pioneers, ConAgra Mills® and Horizon Milling®. A company dedicated to helping you grow in a challenging marketplace. Ardent Mills offers the industry's broadest range of flours, mixes, blends and specialty products, customized to meet your needs and backed by unrivaled technical support, customer service and the supply assurance of more than 40 community mills and mix facilities, along with a specialty bakery and a Mobile Innovation Center.

Barrick Gold Corporation – <https://www.barrick.com/>

Our vision is the generation of wealth through responsible mining—wealth for our owners, our people, and the countries and communities with which we partner. We aim to be the leading mining company focused on gold, growing our cash flow per share by developing and operating high-quality assets, through disciplined allocation of human and financial capital, and operational excellence. Barrick has mining operations in Argentina, Australia, Canada, Chile, Dominican Republic, Papua New Guinea, Peru, Saudi Arabia, the United States, and Zambia. The company was founded in 1983 and is headquartered in Toronto. Barrick's shares trade on the New York Stock Exchange and the Toronto Stock Exchange under the symbol ABX.

Boyer's Coffee – <http://www.boyerscoffee.com>

In 1973, Bill Boyer began slow roasting specialty coffee beans and discovered a secret. With less humidity and a slower roast, Colorado's high altitude creates a roasted coffee bean with a flavor second to none – smooth, fresh and extraordinary. To this day, Boyer's Coffee is created from the finest hand-selected Arabica beans chosen from the world's select coffee-growing regions. Inside every one of our unique, one-way valve bags, you will find Bill's discovery, always delivered faster and fresher from the historic schoolhouse we call home on North Washington Street in Denver.

Bunge Limited – <http://www.bunge.com/>

Bunge is a leading global agribusiness and food company that has been helping feed the world for 200 years by connecting people, markets, countries and cultures. Our 32,000 employees in over 40 countries supply a growing world with agricultural commodities, such as grains and oilseeds, which are inside many of the meals we eat. We transport crops, connecting farmers to customers in ways that help ensure food security and improve environmental efficiency. We provide ingredients and know-how to some of the biggest food processors and foodservice brands in the world. We produce high-quality consumer products in the Americas, Eastern Europe and Asia. From farm to table, Bunge is there every step of the way, at home everywhere.

Cargill – <http://www.cargill.com>

Cargill's 155,000 employees across 70 countries work relentlessly to achieve our purpose of nourishing the world in a safe, responsible and sustainable way. Every day, we connect farmers with markets, customers with ingredients, and people and animals with the food they need to thrive. We combine 153 years of experience with new technologies and insights to serve as a trusted partner for food, agriculture, financial and industrial customers in more than 125 countries. Side-by-side, we are building a stronger, sustainable future for agriculture.

CME Group – <http://www.cmegroup.com>

As the world's leading and most diverse derivatives marketplace, CME Group (www.cmegroup.com) is where the world comes to manage risk. CME Group exchanges offer the widest range of global benchmark products across all major asset classes, including futures and options based on interest rates, equity indexes, foreign exchange, energy, agricultural commodities, metals, weather and real estate. CME Group brings buyers and sellers together through its CME Globex® electronic trading platform and its trading facilities in New York and Chicago. CME Group also operates CME Clearing, one of the world's leading central counterparty clearing provider in the world, which offers clearing and settlement services for exchange-traded contracts, as well as for over-the-counter derivatives transactions through CME ClearPort®. These products and services ensure that businesses everywhere can substantially mitigate counterparty credit risk in both listed and over-the-counter derivatives markets.

CoBank – <http://www.cobank.com/Products-Services/Export-Financing.aspx>

CoBank helps companies – from our member cooperatives and other Farm Credit System customers to private and public companies – sell their products around the world by providing export financing for U.S. agricultural commodities and equipment as well as other trade finance services. Through our extensive network of international banking relationships, we can provide your organization with a variety of financing services and risk mitigation tools – from letters of credit to short-term financing to loan syndications. Because our specialty is U.S. agricultural trade financing, our international relationship managers have the expertise and industry contacts to design finance programs to meet your needs. We've financed the export of more than 30 different U.S. agricultural commodities and products to countries around the globe. Export financing is supported through the extension of trade credit both directly and through insurance programs. CoBank participates in the U.S. Department of Agriculture's Commodity Credit Corporation (CCC) export loan guarantee program as well as various programs offered by the Export-Import Bank of the United States (Eximbank) and the World Bank.

CQG, Inc. – <http://www.cqg.com>

For more than thirty years, CQG, Inc. has been the industry leader for fast, accurate, and reliable market data and unrivaled graphical analysis. Today, CQG provides high-performance trade routing, global market data, and advanced technical analysis. CQG partners with more than eighty FCMs and provides Direct Market Access to more than forty exchanges through its global network of co-located Hosted Exchange Gateways. CQG's server-side order management tools for spreading, market aggregation, and smart orders are unsurpassed for speed and ease-of-use. CQG's market data feed consolidates more than seventy-five sources, including exchanges worldwide for futures, options, fixed income, foreign exchange, and equities as well as data on debt securities, industry reports, and financial indices.

Danone North America – <https://www.danonenorthamerica.com/>

WhiteWave Foods was acquired by Danone. The histories of Danone and WhiteWave share common traits as purpose-driven, health-focused category leaders, which make for a perfect match. Danone's ambition is to produce healthful foods that create economic and social value and nurture natural ecosystems through sustainable agriculture. We will accelerate Danone's 2020 sustainable profitable growth journey by offering a wider choice of better-for-you and great tasting food and beverage alternatives for any moment of the day. Bringing together our portfolios of dairy and plant-based products enables us to better serve consumers' diverse preferences in high growth and evolving categories.

We have been helping our clients to do business and manage their wealth for more than 200 years. Our business has been built upon our core principle of putting our clients' interests first. J.P. Morgan is part of JPMorgan Chase & Co. (NYSE: JPM), a global financial services firm.

Kinder Morgan – <http://www.kindermorgan.com/>

Kinder Morgan is one of the largest energy infrastructure companies in North America. We own an interest in or operate approximately 85,000 miles of pipelines and 152 terminals. Our pipelines transport natural gas, gasoline, crude oil, carbon dioxide and more. Our terminals store and handle petroleum products, chemicals and other products. We have an unparalleled asset footprint spanning the breadth of the United States with leading North American positions in each of our five business segments - Natural Gas Pipelines, CO₂, Products Pipelines, Terminals and Kinder Morgan Canada.

Molson Coors Brewing Company – <http://www.molsoncoors.com>

Molson Coors Brewing Company is a leading global brewer delivering extraordinary brands that delight the world's beer drinkers. We brew, market and sell a portfolio of leading premium brands such as Coors Light, Molson Canadian, Carling, Staropramen and Blue Moon across The Americas, Europe and Asia. We operate in Canada through Molson Coors Canada; in the U.S. through MillerCoors; across Europe through Molson Coors Europe; and outside these core markets through Molson Coors International. Because we're the world's family brewer, we're devoted to developing and challenging each generation to be greater than the last. Which is a tall order considering that we stand on the shoulders of generations upon generations of extraordinary brewers. In addition to developing great beer, we strive to create an environment that helps develop equally-great careers, by providing the space, resources and support needed to bring out your very best. Which is part of what makes us such an exceptional place to work. We also offer some of the most beautiful spots in the world to live and play, with highly-desirable locations all across Europe, Canada, the U.S. and International locations.

Morgan Stanley – <http://www.morganstanley.com/>

Morgan Stanley mobilizes capital to help governments, corporations, institutions and individuals around the world achieve their financial goals. For over 75 years, the firm's reputation for using innovative thinking to solve complex problems has been well earned and rarely matched. A consistent industry leader throughout decades of dramatic change in modern finance, Morgan Stanley will continue to break new ground in advising, serving and providing new opportunities for its clients. Morgan Stanley is committed to maintaining the first-class service and high standard of excellence that have always defined the firm. At its foundation are four core values — putting clients first, doing the right thing, leading with exceptional ideas and giving back — that guide its more than 55,000 employees in 1,200 offices across 43 countries.
