AGRICULTURAL PRODUCERS

Cargill – http://www.cargill.com/
Cargill's 155,000 employees across 70 countries work relentlessly to achieve our purpose of nourishing the world in a safe, responsible and sustainable way. Every day, we connect farmers with markets, customers with ingredients, and people and animals with the food they need to thrive. We combine 153 years of experience with new technologies and insights to serve as a trusted partner for food, agriculture, financial and industrial customers in more than 125 countries. Side-by-side, we are building a stronger, sustainable future for agriculture.

C&S Wholesale Grocers is the lead supply chain company in the food industry today – and the largest wholesale grocery supply company in the U.S. We supply independent supermarkets, chain stores and institutions with over 170,000 different products – from more than 75 high-tech facilities, delivering everything from seafood to soup to soap. In fact, if it belongs on a supermarket shelf, it’s probably moving through a C&S warehouse right now. With our continuing commitment to new technologies, C&S is constantly focused on delivering cost savings, service and value to our customers. And with over 90 years of experience serving retailers as a fourth generation family business, we have the depth, expertise, and vision to help you run your business efficiently and profitably.

Gordon Food Service – https://www.gfs.com/en
For over 115 years, we’ve delivered the excellence, expertise, and quality products our customers need to design successful food operations and experiences. We’ve grown to become the largest family-operated broad-line foodservice distributor in North America by upholding the same business approach since 1897—being passionately committed to the people we serve. We believe in the power of good food—to bring people together and make moments special. Every product, every order, and every decision we make is inspired by the people on the other side of the plate. We distribute to foodservice operators throughout the Midwest, Northeast, Southeast and Southwest regions of the U.S. and coast to coast in Canada. Our company also operates more than 170 Gordon Food Service Stores, which are open to the public and provide the benefits of restaurant-quality products and friendly, knowledgeable service. Gordon Food Service Stores do not charge a membership fee. Gordon Food Service Stores are the primary supplier for many small foodservice operators, including restaurants, churches, daycare providers, caterers, event planners, and other small businesses. We offer a broad range of employment opportunities throughout our corporate offices, distribution centers, and retail stores.
We have a strong commitment to our employees and foster an environment that promotes internal growth, training, and career development opportunities.
